5. If a student becomes sick or unavailable due to scheduling after the first week of classes, a credit may be applied to another session for a maximum of 6 months upon request

RACISM, DISCRIMINATION & BULLYING POLICY

Let's Work Together

1. Anti-Racism & Inclusivity Policy

We are a community-based studio where our main priority is to offer programs to all cultures, demographics, age, sex, religion, disability, etc. We thrive on building an inclusive space where no student is turned away. Our programs are affordable which allows for families to be able to afford dance programs for their children. Dance is a universal language in which every human being has a right to learn if they choose to. Our studio is proud to be diverse and embraces culture as most dance styles have originated from other countries and it is important to us that the history of these styles be taught to our students. We do not accept racism of

any kind at St. Clair Dance Collective and any student, family member or staff may be turned away for any comments, actions, or behaviour that is racist. We are an inclusive space allowing for any community member to enter our studio with questions or concerns, and to our students and their families who participate in our programs. No person shall be turned away, disrespected, belittled, insulted, harassed, or attacked at St. Clair Dance Collective. Our primary goal is to create a safe, inclusive, diverse, and engaging space that cultivates an environment of dance and the arts. In honour of the Black Lives Movement & Indigenous People, we move forward by being more aware, conscious and mindful that privilege exists and that we must work on a more inclusive community. This starts right here at St. Clair Dance Collective.

2. Dance Service Organizations Statement

We agree with the following statement from Dance Service Organizations. It clearly outlines the change moving forward in our dance communities and how we can all become more inclusive, more responsible and more educated.
